

ABSTRACT ONLY

AN EXAMPLE ABSTRACT FOR THE RMAA CONFERENCE SERIES

W. J. Henney^{1,2} and A. Busy Person³

This abstract summarizes our oral or poster contribution to the conference. We would obviously have liked to have written up our results in more detail but we are far too busy doing science/teaching/having a good time. The abstract should not exceed 300 words, including the title, author list, and addresses. This corresponds to about half the length of a column on the page.
